ORGANIC WASTE

THROW IT IN!

COMPOSTABLE KITCHEN AND GARDEN WASTE

For example:

Raw and cooked food scraps, spoiled food without packaging, leftovers of fruit and vegetables, solid cooking fat, coffee filters, teabags, wilted flowers and autumn leaves, cuttings from the lawn, bushes and shrubbery

Store in paper bags or newspaper!

LEAVE IT OUT!

Non-recyclable waste, plastic bags, even if they are labelled as "compostable", pet litter, bird sand, ashes, food in glass, plastic or metal packaging, products made of bioplastics
